How do you feel about the cracks and crack fillings inside (underwater) in the big pool?			
		Response Percent	Response Count
It's bad; please resurface it as soon as possible. (FYI - would cost about \$15-20K).		5.2%	5
It's annoying, but not a big deal to me. Just do it when it absolutely has to be done. (FYI - the baby pool will be done next Spring).		46.9%	45
Cracks? What cracks?		47.9%	46
